

SINUA NOCE

This lockable jewelry chest features a refined curved exterior design, crafted from fine walnut canaletto wood with a matte finish that enhances the natural beauty of the wood. Every detail has been carefully designed to give the chest a sophisticated and luxurious appearance, making it an exclusive piece of furniture.

The chest opens via an innovative touch screen numeric keypad, combining advanced technology and convenience, ensuring secure and immediate access. The brass accessories plated in 24-carat gold and the gold-effect painted base add an extra touch of luxury and refinement, completing the design with unparalleled elegance.
