

ARCO NOCE

Jewelry safe cabinet in matte canaletto walnut, with accessories in 24-karat gold-plated brass. The safe is opened via an integrated round handle, featuring a biometric reader and an emergency key. Battery-operated, it offers practicality and security.

In the upper section, a bust for necklaces and removable trays for jewelry, lined with beige suede fabric, ensure neat organization. A hidden secret compartment is located at the back.

The drawers, with fronts in matte canaletto walnut, are organized to hold jewelry and are lined inside with beige suede fabric.
