

Mistero Royale

Luxury jewelry safe with genuine gold leaf coating, high-gloss finish on all four sides, designed to provide the perfect balance between luxury and practicality. Opening via numeric touch screen keypad, powered by batteries.

The interior is enhanced with matte burl drawers, beige suede fabric lining, and 24-carat gold-plated brass accessories. An extractable necklace holder completes the setup, ensuring perfect organization.

Watchwinders of Swiss manufacture can be integrated. Every detail, from finishes to materials, from internal layout to opening system, is fully customizable to meet any aesthetic and functional need.
