

SEGRETO NERO

Luxury jewelry safe with shiny black finish on all four sides, designed to combine aesthetics and functionality. Opening via numeric touch screen keypad, powered by batteries.

The interior features high-gloss ebony drawers, beige suede fabric lining, and 24-carat gold-plated brass accessories. An extractable necklace holder completes the setup, ensuring perfect organization.

Prepared for the installation of Swiss-made watchwinders. Every detail is fully customizable—finishes, materials, and internal layout can be tailored to meet any aesthetic or functional requirement.
